SUMMER.. FEMALE PETS IN HEAT..
MALE PETS IN HEAT-SEEKING MODE..
TOGETHER THEY WILL ADD THOUSANDS
OF CATS AND DOGS TO AUSTRALIA'S
PET OVERPOPULATION PROBLEM. BY
DESEXING YOUR PETS NOW YOU CAN
BEAT THE HEAT THIS SUMMER AND
HELP SAVE LIVES.

EVERY DAY ACROSS AUSTRALIA MORE THAN
550 CATS AND DOGS ARE PUT TO SLEEP IN
POUNDS AND SHELTERS SIMPLY BECAUSE THEY
HAVE NO HOMES. THAT'S ABOUT TWENTY
THREE LIVES EVERY HOUR OF EVERY DAY! YOU
CAN HELP BY DESSEXING YOUR PETS AND
ENCOURAGING OTHERS TO DO THE SAME.
